

sub cont'd
~~1~~ 2

--19. A pharmaceutical composition containing
 as active ingredient a compound according to claim 4.--;

⁹
~~20~~. A method for inhibiting gastric acid
 1 secretion by administering to mammals an amount of a
 2 compound as defined in claim 1 sufficient to inhibit
 3 gastric acid secretion.--;

¹⁰
~~21~~. A method for inhibiting gastric acid
 1 secretion by administering to mammals an amount of a
 2 compound as defined in claim 2 sufficient to inhibit
 3 gastric acid secretion.--;

¹¹
~~22~~. A method for inhibiting gastric acid
 1 secretion by administering to mammals an amount of a
 2 compound as defined in claim 3 sufficient to inhibit
 3 gastric acid secretion.--;

¹²
~~23~~. A method for inhibiting gastric acid
 1 secretion by administering to mammals an amount of a
 2 compound as defined in claim 4 sufficient to inhibit
 3 gastric acid secretion.--;

¹³
~~24~~. A method for the treatment of gastro-
 1 intestinal inflammatory diseases in mammals by administer-
 2 ing to mammals an amount of a compound as defined in
 3 claim 1 sufficient to treat gastrointestinal inflammatory
 4 disease.--;

¹⁴
~~25~~. A method for the treatment of gastro-
 1 intestinal inflammatory diseases in mammals by administer-
 2 ing to mammals an amount of a compound as defined in
 3 claim 2 sufficient to treat gastrointestinal inflammatory
 4 disease.--;
